About ProServe

ProServe Management Consulting Services Co is an Afghanistan-based professional services firm providing tax, corporate, accounting, regulatory, immigration, and business advisory services to multinational corporations, international organizations, NGOs, and commercial enterprises operating in Afghanistan.

With over **17 years of professional experience**, our leadership team has advised multinational corporations, international NGOs, diplomatic missions, telecommunications companies, engineering and construction firms, humanitarian organizations, and privately owned businesses operating across Afghanistan.

Our approach combines strong technical expertise with an in-depth understanding of Afghanistan's legal, tax, and regulatory framework. We work closely with our clients to develop business-oriented solutions that ensure compliance, minimize business risks, and support informed decision-making.

Our long-standing client relationships are built on integrity, professionalism, confidentiality, responsiveness, and solution-oriented advice tailored to each client's operational requirements.
